

# Hovi's recent deliverables & client wins ✨

## #1 Joinin2

Implemented growth hacking and manual direct messaging outreach campaigns resulting in a remarkable

**34% increase in SQLs,**

all achieved with zero marketing expenditure. These efforts have enabled the client to effectively compete with larger industry players within their niche market.

[joinin2.com](http://joinin2.com)

## #2 Arabee

Successfully attained **first-page rankings**

for three non-branded keywords in the UAE within a span of three months.

[arabeelearning.com](http://arabeelearning.com)

## #3 Bassam Fattouh

Created and launched a high-conversion website, and executed an effective acquisition strategy that drove a remarkable

**70% increase in sales**

within four-month.

[bassamfattouh.com](http://bassamfattouh.com)

## AND

Established an Insta-shop, which quickly became the website's **2nd highest source of traffic**

## #4 Ohana Hills

A total of 22 non-branded keywords in Lebanon and 20 in UAE have achieved a

**top #10 Google ranking**

[ohana-hills.com](http://ohana-hills.com)

## #5 Garo Boyadjian

Increased the number of jewelry orders by

**+30% in 4 months**

**from \$4,000 to**

**\$13,000**

[garoboyadjian.com](http://garoboyadjian.com)

## #6 SGE

Implemented a **comprehensive sales process** overhaul utilizing industry best practices. Created tailored playbooks, roleplays, and flashcards.

## AND

Successfully executed a **seamless migration of the client's CRM system** from an unstructured platform to a newly implemented solution.

[sgeme.com](http://sgeme.com)

## #7 JASA

Provided the client with a comprehensive mood board that enabled them to envision the final outcome of the website from the outset.

As a result, **the number of revision cycles was reduced,** allowing us to **efficiently finalize the design ahead of schedule.**
